

MEMORANDUM

To: All LiUNA Laborers
From: LiUNA Chicagoland Laborers' Training & Apprenticeship Fund
Date: April 16, 2020
Re: Illinois Department of Transportation (I.D.O.T.) Flaggers Certification

Effective Immediately:

The IDOT Flaggers Certification will now be valid for Four Years.

As you all are aware, the LiUNA Chicagoland Laborers' Training and Apprenticeship Fund is an approved certifying agency by IDOT. We received the following email from IDOT Safety Programs Unit Chief, Juan Pava:

"To whom it may concern,

This email serves as clarification that the Illinois Department of Transportation will accept flagger certifications that are issued for a period of up to four years. The Department will not object to certifying agencies extending the certification period to four years for current or recently expired certifications to address training restrictions due to the COVID-19 pandemic.

It continues to be the responsibility of the certifying agency to furnish a method of inspection and maintain records as condition to be considered an accepted certifying agency."

Best,

Juan David Pava, P.E.

Safety Programs Unit Chief
