

Chicagoland Laborers' District Council Training & Apprenticeship Fund

Thomas Nordeen – Executive Director

Thomas has been Executive Director of the Chicagoland Laborers District Council Training & Apprenticeship Fund since February 2014. Prior to 2014, Thomas joined Power Construction Company in 1973 as a Carpenter Foreman. Over the years Thomas held various positions, but for the last 15 years with Power he held the position as Vice President and Partner. As Vice President his responsibilities included self-performed Concrete Operations, Safety Department, Quality Control Department, Training for 250 +/- Trades people and oversight of \$600 million worth of construction a year such as: High Rise Residential and Office, Health Care, Corporate Office, Institutional, Retail and Warehouse Construction. Thomas retired from Power Construction Company in 2012. He also spent 15 years as a Trustee for The Chicagoland Laborers District Council Training & Apprenticeship Fund.
